

The Board of KEY:

Anyone who is not an active participant in Key Homeschool Association and who does not perform the attendant duties assigned to an officer of the Board can be removed from that position at the discretion of the Board of Directors. Bering this in mind, we ask that you do not choose to run for such a position if you do not feel that you will be willing or able to participate in the growth and continuation of this well-established homeschool group.

Student Council:

Concerning the student council: in addition to the active Board of Key Homeschool Association, there is a Student Council. This Council is also possessed of minor administrative and decision-making powers under the direction of the Board. Please permit your students to apply for a position on the Student Council only if they demonstrate an equally serious dedication and enthusiasm to the aforementioned position, and are willing and able to actively participate in at least some of the attending functions of the Student Council. With regards to this, it shall be understood that the Board retains the right to request the resignation of any student on the Council who does not demonstrate a willingness to perform his or her duties. Though it is not necessary for parents of Student Council members to attend every function of the Council, they will at times be expected to help out with Student Council functions.

Students wishing to run for a position on the Student Council will need to prepare a presentation in which they explain why they wish to run for a position on the Council, as well as what they intend to contribute to the Council.
